# 1 Summary of Performance

## 1.A Introduction

The Budget Performance Report for Kano State is prepared quarterly and issued within 4 weeks from the end of each quarter.

The report includes the original approved budget appropriation for the year 2024 against each organizational unit for each of the core economic classification of expenditures (Personnel, Overheads, Capital and Others). The actual expenditure for the quarter four (Quarter 4), attributed to each organizational unit, as well as the cumulative expenditures for year to date against each of the revenue and expenditure appropriations.

It is pertinent to note that, in the course of implementation of the 2024 Budget certain budget provisions were over performed in the area of Revenue and Expenditure due to unforeseen happenings in the Revenue Generation and key changes in the expenditure based on priorities of the present administration. Therefore, all the affected Budget Provisions were formalized through the State House of Assembly.

Based on the above development, the fourth Quarter 2024 report was assessed against the 2024 Revised approved budget.

The Budget Performance Report is produced by the Ministry of Planning and Budget in collaboration with the Accountant General's Office of the Ministry of Finance and published on the Kano State website.
