3 Primary Healthcare Budget Performance

3.A Overview

This is specifically an overview the Primary Health Care Implementation Performance Report extracted from the general report for easy tracking, analysis and other necessary needs. It includes the original 2026 approved budget against the actual expenditures (Personnel, Overheads, Capital, and Others for the quarter Q2, attributed to each line items in the primary health care activities, as well as the cumulative expenditures for year to date, and balances against each of the revenue and expenditure appropriations.

As depicted in the chart below, for the Second Quarter performance, personnel cost recorded 42% outturn, overhead cost 32.4%, while capital expenditure recorded 38.7% performance.

A summary of the performance Year to Date (YTD) against the original budget is provided below for the main economic classifications of expenditure, and YTD against the programme segment (Objective level). Note that the performance metrics in the reports in section 3.B and 3.C are based on the latest version of the budget (this may not be the original budget, it may be the revised or final budget).

4 Basic Education Budget Performance

4.A Overview

This is specifically an overview the Basic Education Implementation Performance Report extracted from the general report for easy tracking, analysis and other necessary needs. It includes the original 2026 approved budget against the actual expenditures (Personnel, Overheads, Capital, and Others) for the quarter Q2, attributed to each line items in the Basic Education activities, as well as the cumulative expenditures for year to date, and balances against each of the revenue and expenditure appropriations.

For the six -month period, January to June 2026, Basic Education personnel cost recorded 27.7% performance, overhead cost – 18.4% outturn, while capital expenditure recorded 51.8 % performance against the Original budget.

A summary of the performance Year to Date (YTD) against the original budget is provided below for the main economic classifications of expenditure, and YTD against the programme segment (Objective level). Note that the performance metrics in the reports in section 4.B and 4.C are based on the latest version of the budget (this may not be the original budget, it may be the revised or final budget).
